DESIGN					
1. Document is subdivided into logical supporting pages or, if presented as a single page, it offers a table of contents with section links to avoid scrolling through entire document.	1	2	3	4	**5**

Please explain your feedback:
  Section links/ table of contents is very helpful! I don't know what is going on some of your pages but I might suggest a "how to get involved" tab (or something along those lines). Also, a FAQ page might be helpful as well.
